

Speech-Language Therapists Required – Full/Part Time

We are seeking talented, self-motivated speech-language therapists to join our team. Not Only Words is a market-leading private speech-language therapy practice in Auckland. Two key positions are available. All applicants must be eligible for full membership of the New Zealand Speech-Language Therapists' Association (NZSTA).

Senior Therapist/Client Relationship Manager

This is a unique opportunity to develop your management skills whilst continuing in clinical practice. You will be responsible for managing key client relationships and building new relationships. In addition you will provide support to other therapists on the team.

Therapist

This is an opportunity to develop your clinical skills with a general caseload. You can also develop specialist clinical skills in autism spectrum, language and speech disorders with supervision. A minimum of 12 months clinical experience with paediatrics is required. Clinical experience with adults is desirable.
